# OFFICE RELOCATION, EXPANSION, AND RENOVATION

At ACE Overcomers, we empower individuals and communities to overcome adversity and achieve holistic well-being. As we expand our impact, there arises a critical need for additional office space to accommodate our increasing programs and services.

## ■ ■ **100 DAY CHALLENGE**

Dear Friend,  
ACE Overcomers Needs YOUR HELP NOW.

**We must raise \$100,000 in 100 days.**

We have outgrown our current facilities and are building offices and a new CENTER FOR RESILIENCE training center next to Big Lots in the Merced Mall parking lot.

This allows us to provide day and night classes to serve more teens and families.

**The scope of construction and cost of materials increased from our original estimation. We have added offices and are required to meet new building code standards.**

**This has placed us under the burden of raising an additional \$100,000 in 100 days.**

ACE Overcomers has touched lives for over 14 years. We have broken the cycle of abuse and dysfunction in families, prevented child abuse, saved marriages, rehabilitated prisoners, encouraged teen moms, and equipped professionals.

We heal families and change lives locally, nationally, and internationally.

**If ACE Overcomers has touched your life, please give generously.**

**We simply MUST meet this goal.**

**Your gift will change the course of someone's life.**

Thanks for believing in what we do.
